You may access BOC Online Banking services 7 days a week, 24-hours a day through our web site www.boconline.com.

4) Passwords

The Password that you select should be unique to you. For security purposes, your Password will not be communicated to us and should not be associated with any commonly known personal identification, such as your social security number, street address, your birthday or a family member’s birthday, your driver’s license number, or the names of relatives. You should memorize your Password rather than writing it down and never reveal it to anyone. You are responsible for keeping your Password and account information confidential.

If you have forgotten your password or have been locked out of the system, you can request for the password to be reset online by clicking on the “Forgot Password?” link and by correctly answering your previously selected “multi-factor authentication” security questions. You may also contact us directly by telephone to reset your Password. Please note that for your security, we will contact you using only the mailing address and telephone number on file, therefore, it is important that any changes in your address or telephone number be communicated to us as soon as possible.

5) Security

Your role is extremely important in the protection of your accounts and the prevention of any unauthorized use. Security and access to your accounts through BOC Online Banking is maintained by your Password, which you will create during the online registration process. It is your responsibility to take precautions and protect your Password. You agree to keep your Password confidential along with your account numbers and other account information, to change it when an unauthorized person has learned it, choose a Password that would not be easy to guess, memorize your password and not write it down, and not disclose or otherwise make it available to anyone not authorized to sign on your accounts. Other precautions that you can take to protect your accounts and prevent unauthorized use are to never leave your computer when you are logged into Internet banking and to exit Internet banking as soon as you are finished and to close the

browser window. Please note, when banking on a Mobile device additional security of setting a pin on that device is recommended. In addition, if mobile device is lost or stolen please notify Bank of Commerce immediately.

6) Electronic Mail (E-mail)

If you sent the Bank an e-mail message, the Bank will be deemed to have received it on the following business day. You should not rely on e-mail if you need to report an unauthorized transaction from one of your accounts or if you need to stop a payment that is scheduled to occur.

We advise you not to send us or ask for sensitive information such as account numbers, password, account information, etc. via any general or public e-mail system. If you wish to contact us electronically, use the Secure Contact Form within the online banking site regarding concerns of a confidential nature.

7) Linked Accounts

All accounts with the Bank that you enroll in Online Banking services will be linked by tax identification numbers of the persons authorized to access the accounts. The linked accounts will appear together without regard to the ownership of the accounts. 8) Bill Payment Service

The BOC Bill Payment Service to its Internet banking customers is provided through iPay Solutions ("iPay"). iPay is a third party provider and is not an affiliate of the Bank. Questions concerning terms, conditions, responsibilities, obligations, and Bill Payment Services should be directed to:

iPay Solutions

When you sign up for Bill Payment Service, your application is submitted to the Bank and to iPay for processing. iPay will request that you designate an account with us from which payments will be deducted. Fees and charges relating to bill payment will be deducted from the account, which you have designated with us as your primary account. Bill Payment Service allows you, and anyone whom you have provided with your Password, to make one-time or periodic recurring payments through the Internet.

9) Primary Account

You will designate a primary account during the application process. You agree to pay promptly all fees and charges for services provided under this Agreement, and authorize us to charge the account that you have designated as the primary account or any other account for any fees and charges. 10) Your Liability for Unauthorized Transactions:

IMMEDIATELY CHANGE YOUR PASSWORD and tell us **AT ONCE** if you believe your Password has been lost or stolen, become known to an unauthorized person, or if a transfer or bill payment has been made without your authorization or knowledge. If you do **NOT** tell us within two (2) business days after you learn of the loss or theft of your Password, and we can prove we could have stopped someone from using your Password without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers or bill payments that you did not make, tell us at once. If you do not tell us within sixty (60) days after the statement was made available to you, you may not get back any money you lost after the sixty (60) days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.
